

An opportunity has arisen for a temporary store assistant at Powys Leys, Forden, Welshpool. Powys Leys are a small family run agricultural seed merchant and agronomy firm. We provide grass seed mixtures, seed corn, and crop protection services/products to the local farming industry. With over 30 years in the industry, Powys Leys is first for quality and service.

This varied and interesting role is ideally suited to someone with a farming/agricultural background, basic computer skills, a full clean UK driving license and good communication/people skills.

We offer on the job training.

The role will include serving customers, delivering goods, receiving deliveries, maintaining a clean and tidy work environment.

Successful candidates will be confident driving a LCV and forklift teletruck (training will be provided), be able to work alone and in a team, have good customer relations, and be able to perform manual lifting duties.

We are currently offering a temporary position to start immediately until November with part-time hours (3 days per week)

Benefits:

- relaxed and friendly working environment
- varied job role with opportunities to learn new skills
- expand your knowledge of farming and agriculture
- specialists in grassland, forage and arable cropping systems

If you are interested in joining the Powys Leys team, email your CV to will@powysleys.co.uk
